Forecast For East of England
Issued by Met Office Exeter
at 0400 on Friday 26 Mar 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Cloudy with rain on Friday, turning colder later.

Today:
Cloudy with patchy rain through the morning before a band of heavier rain and strong winds crosses the area from the west during the afternoon. Skies will clear late afternoon with most parts dry through the evening but feeling colder. Maximum temperature 13 deg C (55 deg F).

Tonight:
Breezy with further showers overnight, turning colder with a frost in places as well as some icy patches. Long clear spells developing towards dawn. Minimum temperature 0 deg C (32 deg F).

Saturday:
Variable amounts of cloud on Saturday but most parts dry with plenty of sunshine. Breezy with more cloud later. Maximum temperature 11 deg C (52 deg F).

Outlook for Sunday to Tuesday:
Mostly dry and bright at times Sunday and Monday but very windy in places. Lighter winds at first on Tuesday but cloud, rain and stronger winds moving in later.
